*Attention! Possible changes of activities or findings of audits and inspections may affect the current status of the contribution.

This validation also covers the "GM1 module Export to third countries – Complementary module to the self-checking guides – Russian federation and China".

The validation starts on 21 June 2024 and expires on 20 June 2025.

You can find out how the audit may have affected your contribution by consulting your file on www.Foodweb.be*

Please find enclosed the final report of the audit.

If you later wish to extend the validation of the self-checking system, I advise you to have the audit to extend this validation carried out 30 days before it expires.

If you want the FASFC to carry out this extension audit, you will have to request it at least 2 months before the end of the validation period, i.e. no later than 20 April 2025.

Yours faithfully,

Dr Fabienne LOMBA
