*Attention! Possible changes of activities or findings of audits and inspections may affect the current status of the contribution.

This validation also includes the GMI module "GMI module Export to third countries – Complementary module to the self-checking guides – Russian federation and China"..

The validation starts on 21/06/2025 and expires on 20/06/2026.

You can find out how the audit may have affected your contribution by consulting your file on www.Foodweb.be.*

Please find enclosed the final report of the audit.

If you wish to extend the validation of your self-checking system beyond the expiry date, an extension audit should take place 30 days before that date.

If you want the FASFC to carry out this extension audit, you will have to request this audit at least 2 months before the end of the validation period, i.e. no later than 20/04/2026.

Yours faithfully,
