\*Please note: any changes in activities or findings of audits or inspections may affect the current status of the contribution.

This validation also includes the GM1 module " GM1 module Export to third countries – Complementary module to the self-checking guides – Russian federation and China".

The validation starts on 21/06/2026 and expires on 20/06/2027.

You can find out how the audit may have affected your contribution by consulting your file on [www.Foodweb.be](http://www.Foodweb.be)\*

Please find enclosed the final report of the audit.

If you wish to extend the validation of your self-checking system beyond the expiry date, a renewal audit should take place 30 days before that date.

If you want the FASFC to carry out this renewal audit, you will have to request it at least 4 months before the end of the validation period, i.e. no later than 20/02/2027.

Yours faithfully,
